Job Description

ROLE AND RESPONSIBILITIES

The Dog Groomer/Stylist must love dogs! He/she operates a specialized dog grooming van and drives to a customer's (dog owner) home or place of employment to wash, groom, and style any type of dog. He/she must have the ability to effectively listen and communicate to the dog owner while executing the desires of the owner keeping within the dog's best interest. The ability to safely operate a commercial vehicle, walk and potty dog, lift and maneuver a dog while ensuring safe handling is priority. While in the van, he/she uses clippers, scissors, dog washer, and high velocity dryer operated by a generator. After grooming, the Groomer/Stylist prepares an invoice, collects fees, and creates a customized assessment of the service. After each shift, clean van and perform maintenance on equipment as necessary.

- Safely operate a commercial vehicle while obeying all traffic laws
- Understand dogs may be stressed and have the ability to calm dog (and sometimes owner)
- Safely operate clippers, scissors, mechanical high-velocity dryer, generator, and other equipment that may be used on the van or during the dog grooming service
- Brushing, clipping nails, cleaning ears and sanitary areas
- Keep a clean and tidy work environment
- Operate a cell phone GPS, scheduling, billing, and payment applications as necessary
- Provide a positive working environment for colleagues and other employees that enables continuing education and growth
- Promote a positive image for mobile dog grooming and Dat Pooch, LLC while continually providing effective feedback

QUALIFICATIONS AND EDUCATION REQUIREMENTS

Required: High school diploma or equivalent

Preferred: Certification with an accredited dog grooming association or society OR veterinary technician with grooming experience

PREFERRED SKILLS

- Compassion and patience towards animals and people
- Basic knowledge of canine health and anatomy
- Effective communication: Listen to customers, observe any unusual findings, and communicate to maximize customer satisfaction.
- Customer service: This is a customer-facing position and friendly, bubbly personalities are preferred. Scheduling next dog grooming visit is expected.
- Attention to detail and precision: Groomer/stylist must pay close attention to the dog while performing intricate grooming to ensure safety of the animal and groomer while optimizing appearance.
- Stamina: Groomer/stylist may be on his/her feet for extended periods of time while bending and hunching over during the grooming process.
- Organizational skills and good business sense: This is a commission-based position that rewards efficiency and creativity.
